

## TĪAHO AHO - HUIA

V1

Tini kupu taurangi kāhore nei e eke

Māku, māha, mā te ao katoa

Me pēhea te whakatinanatia ai

Ka tere atu ka pōteretere mai

I tēnei haerenga, koia, aukatia te whakawā

Tēnei te wā, kia tīaho ai!

V1

Too many unfulfilled promises

To myself, to you and to the world

How can we turn these into reality?

They slowly pass, or speed by

On this journey, let's ignore what they say

It's our time to shine!

CH

Ko tōku hiahia ana, ko tō pūngao

Ahako te manako ka taea e tātou

Mēnā i pēnei, mēnā i pēnā tāua

Heoi, i tēnei wā, Ka tīaho tahi tāua!

CH

All I want - is your energy

We can be anything - we want to be

We could've been this, or that

But right now, We shine as one!!

V2

Ko au pea, Te kaiwhakaora o te ao

Ko au pea hei tuawahine

Kōkirihia he kapa wahine toa

Ko au pea te pou, Māku te wā kia tīaho ai!

V2

I could be the one, The savior of this world

I could be the leader

To rise up a force of woman

I could be that pou

It's my time to shine!
